Financial Analytics Report — 2022 to 2024
May 2026

Key Financial Indicators

Metric	Value
Total Revenue (3 Years)	AED 74,677,917
Total Expense (3 Years)	AED 44,954,577
Net Profit (3 Years)	AED 29,723,340
Avg Profit Margin	24.9%
Most Profitable Department	Sales
Least Profitable Department	HR

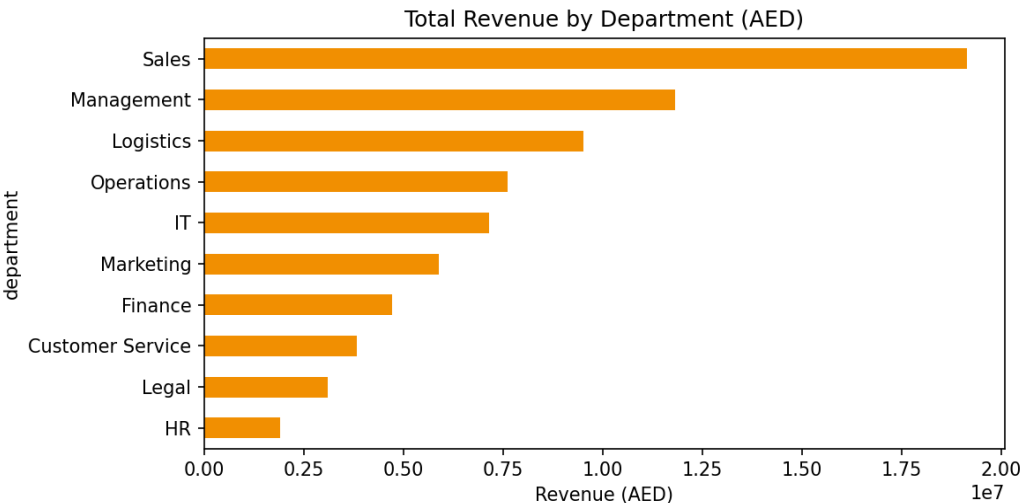

Executive Summary

RevenueRadar Financial Analytics report for the period 2022–2024. The organization generated total revenue of AED 74,677,917 against total expenses of AED 44,954,577, yielding a net profit of AED 29,723,340.

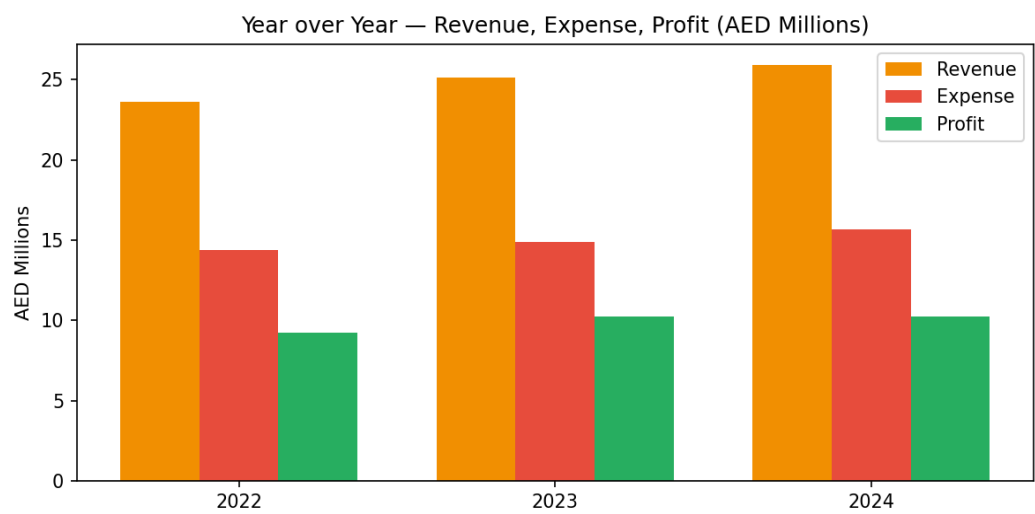

The average profit margin across all departments stands at 24.9%. The Sales department delivered the strongest profitability, while HR recorded the lowest profit contribution and warrants immediate management attention.

Key recommendations: Investigate cost drivers in underperforming departments, replicate the revenue strategies of top-performing units, and target a profit margin improvement of 5% over the next fiscal year through expense optimization and revenue diversification.
